Precision Intelligent Consulting Managed Review

**eDiscovery Managed Review**

**Confidence.** PIC™ Managed Review combines Precision's best-of-breed discovery consulting, intelligent review strategy, advanced technologies and quality control to provide a proven and defensible document review process. This approach provides the most efficient and replicable document review possible. Precision's discovery consultants partner with counsel to define a solution that maximizes the productivity of our PIC review attorneys. You can be confident our team at Konica Minolta will give shape to your ideas—and help your practice succeed.

Giving Shape to Ideas

**Efficient.** If you require a one-stop discovery solution, PIC Managed Review delivers. It combines eDiscovery consulting and expertise with document review management, helping lower costs and increase speed and accuracy—giving your practice the edge in the ever-changing legal technology landscape. Simply put: It's discovery, done better.

**Superior Performance Through Intelligent Review Design and Expert Consulting**

- As attorneys and PMPs, our consultants collaborate with counsel to understand the goals of the project, timelines and budgets
- Our consultants create review and quality control workflows that increase speed and ensure accuracy and accountability

**Transparency and Visibility**

- Excellent communication, with updates and metrics
- Vision™ and DataTracker™ allow you to see more with full transparency into data received, processing progress and metrics and cradle-to-grave document tracking—all within the Relativity review platform

**Software and Workflow Innovations Increase Efficiencies**

- Redaction Accelerator™ propagates custom or full-page redactions to decrease the cost of redaction review
- Precision Reveal™ helps you identify and expose hidden data for review rather than just flagging its existence

**Advanced Analytics Expertise Lowering Review Costs**

- Leverage senior attorney expertise and prioritize data with advanced analytics and coding amplification

**Reliability**

- Created by experienced senior review attorneys admitted in the United States
- Relativity “Best-in-Service” Orange Level Partner, KCura’s highest Relativity designation
- Citrix-enabled Relativity access for faster load speeds

**Data Security**

- World-class, fully scalable IT infrastructure designed to ensure security while providing unmatched responsiveness
- SSAE 16 Type II, SOC 2 Type II and SOC 3 certified facility engineered for reliability, security and stability
